details.

Member Profile

Meet the Carter Family!

How did you hear about Ner Tamid?

Lanie actually spent quite a few Shabbosim as a child at Ner Tamid as a participant on Junior NCSY Shabbatons. Dani attended NT Montessori as did our daughter Dahlia. We have been members of NT since 2014

What brought you to NT?

We live in the Greenspring area and are a short walk away from NT.

When Lanie's parents the Lazerow's moved to Baltimore they shul hopped a little and ended up at NT. When Carl first met Rabbi Motzen and introduced himself he was surprised to hear that Rabbi Motzen was actually at our wedding! We began coming to shul to see Lanie's parents on Shabbos and soon after our children began attending groups Shabbos morning. Dani has graduated from groups and enjoys sitting with Pops Shabbos morning in shul. Dahlia loves groups and also loves the egg salad at the kiddush every week.

What do you find appealing about NT vis-a-vis your religious perspective?

We both grew up in smaller Jewish communities where Jewish life was very shul centric. We really appreciate that NT is a family affair and there are opportunities for us to enjoy together as a family.

Where are you from originally?

Lanie - Frederick, MD, Joel - Atlanta, GA

What do you do for a living?

Lanie works in Client Success/Software Implementation for EventRebels, Joel is an attorney who works for SSA

What are your hobbies, passions, etc?

Between the 2 of us we serve on the Board of Directors for OCA and Shoresh and volunteer for other initiatives. Joel, has passed his love of sports to Dani and Sammy and they enjoy spending time following the Baltimore sports teams. Joel also spends a lot of time shuffling the boys to their various sports games throughout the year. Lanie and Dahlia spend a lot of time attending sports games too but enjoy doing girly things together.

Anything unusual you could tell us about yourselves?

We have yet to meet any child the same age as any of our children that is taller than they are. We like to think that our biggest contribution to the world is adding tall Jewish boys to the gene pool. Joel can name the winner of every world series game - we're hoping one day to make it big on jeopardy with his sports knowledge!

What part of NT are you most excited about, involved in?

We enjoy the diversity at NT. We value meeting and befriending people in all stages of life. We also really enjoy the creative programming and how easy it is to find something that you connect to on your spiritual journey. We also are very big fans of the Motzens and hope to be like them when we grow up!

What do you hope will come about at NT in the future?

We hope the shul continues to grow while maintaining that "small town" feel that is so appealing to so many of us!

We also asked a few questions to Dani. Mazel Tov on your Bar Mitzvah!

What school do you go to? Ohr Chadash Academy

You come to shul quite often, what do you like about NT? I like sitting with my grandfather and catching him up on what he missed in shul when he was at Kiddush Club. I also like the welcoming atmosphere.

What are your hobbies? Baseball and hanging out with my friends

What would you like to become professionally? I feel like I'm too young to know what I want to do, but the future will guide me to make the right choice.

Whatever it is, I hope I make enough to support my parents in their old age (my mom made me say that).
