Member Profile

Meet Michael and Ora Noorani!
How did you first hear about Ner Tamid?

Michael: I started coming to NT with my parents around 1995 to join the sephardic minyan that was located upstairs in current kiddush club.

Ora: My husband, Mike Noorani, brought me here and I've been a member since 2002.

What is your religious background?

M.N.: I grew up traditional in Iran, went to Hebrew School there. I was the first person in the family to read and write in Hebrew. We celebrated all the holidays with extended family.

O.N.: I grew up reform in Baltimore. My parents were born in Ukraine and Minsk and did not grow up with a strong knowledge of Jewish rituals, practices, and traditions. However, we did have wonderful holiday dinners and I went to various Hebrew schools.

What do you do for a living?

M.N.: I am an orthodontist with three offices around Baltimore Metropolitan area. I treat Children, Teens, and Adults.

O.N.: I am a CPA who used to work in the private sector, first with Ernst & Young LLP and then for Baltimore Life Insurance Company and then took time off to be home with my kids. Now I Work for my husband's orthodontic practice

Anything unusual you could tell us about yourselves?

O.N.: I am first generation American and was fortunate to travel to the former Soviet Union when I was 12 years old and meet my dad's side of the family for the first time.

I always dreamed of going to Harvard/Princeton/or Yale University and to the Wharton School of Business. I love to travel but I am also a home body

M.N.: I was born in Iran and escaped there when I was 17, was smuggled out of Iran through Pakistan and stayed in Vienna for 6 months before I arrived in US. I love to travel & see the world.

What part of Ner Tamid are you most excited about getting involved in?

M.N.: I love meeting new people and outreach.

O.N.: I have been heavily involved in the past among various initiatives. I love meeting new people and therefore outreach-getting more people to know and fall in love with Ner Tamid. I love organizing and rehabbing things so my past interests dealt with helping the shul to get more organized, cleaned up, upgraded, and beautified.
