Rabbi's Discussion Question of the Week:

Our Sages explain that the Jewish people received water from the rock during their stay in the desert because of the merit of Miriam. We see this in this week's Torah portion as the Torah relates that Miriam died and immediately after, there was no water. What is the connection between Miriam and water from a rock? What did she do that merited this great miracle?

Email your answer to rabbi@nertamid.net to be entered into a monthly raffle to win great prizes!! Please indicate if the question was discussed at your Shabbos table for an **EXTRA** ticket! The raffle takes place once a month immediately before Kiddush.

Open to students grades 1-12.

August 13, 2017

Once again I will be riding in the Bikur Cholim fundraising event. It would be wonderful to have a whole team of riders representing Ner Tamid to raise money for this worthy cause. If you would like to participate, just go to the Biker Cholim web page (www.bikercholim.org) and sign on; I have already created the team! I understand that many may not be able to personally ride, so you can support the cause by either helping sponsor me or another rider. And thank you so much to those who have already shown their support.
