As Close To Us As Breathing
By Elizabeth Poliner

In 1948, a small stretch of the Woodmont, Connecticut shoreline, affectionately named "Bagel Beach," has long been a summer destination for Jewish families. Here sisters Ada, Vivie, and Bec assemble at their beloved family cottage, with children in tow and weekend-only husbands who arrive each Friday in time for the Sabbath meal.

During the weekdays, freedom reigns. Ada, the family beauty, relaxes and grows more playful, unimpeded by her rule-driven, religious husband. Vivie, once terribly wronged by her sister, is now the family diplomat and an increasingly inventive chef. Unmarried Bec finds herself forced to choose between the family-centric life she's always known and a passion-filled life with the married man with whom she's had a secret years-long affair.

But when a terrible accident occurs on the sisters' watch, a summer of hope and self-discovery transforms into a lifetime of atonement and loss for members of this close-knit clan. Seen through the eyes of Molly, who was twelve years old when she witnessed the accident, this is the story of a tragedy and its aftermath, of expanding lives painfully collapsed. Can Molly, decades after the event, draw from her aunt Bec's hard-won wisdom and free herself from the burden that destroyed so many others?

Please make a reservation by notifying the Ner Tamid office. The cost is \$7. Send your check directly to the Shul.

Rabbi's Discussion Question of the Week:

The Jewish People witnessed miracle after miracle making it very clear that G-d is watching them and Moshe is a true prophet. Yet, in these Parshiyos we find the Jewish People constantly wanting to go back to Egypt and to establish a new leader. How can that be? Does this inconsistency have any relevance to our lives?

Email your answer to rabbi@nertamid.net to be entered into a monthly raffle to win great prizes!! Please indicate if the question was discussed at your Shabbos table for an **EXTRA** ticket! The raffle takes place once a month immediately before Kiddush.

Open to students grades 1-12.

Community Events

August 13, 2017

Once again I will be riding in the Bikur Cholim fundraising event. It would be wonderful to have a whole team of riders representing Ner Tamid to raise money for this worthy cause. If you would like to participate, just go to the Biker Cholim web page (www.bikercholim.org) and sign on; I have already created the team! I understand that many may not be able to personally ride, so you can support the cause by either helping sponsor me or another rider. And thank you so much to those who have already shown their support.
