Parshat Nitzavim

What's On

Each class is well prepared for Rosh Hashanah with information, songs and projects.

We enjoyed sampling the different simanim with our friends.

Our 3-5 year old classes walked to practice Tashlich on Willowglen!

Rabbi Motzen blew shofar for us and we heard all the different sounds that are made.

Bee Day Recap

So many buzzing bees flew in on Tuesday! All the black and yellow paraphernalia sure got us in the spirit.

Mr. Mike the Beekeeper from Virginia told us all about his beekeeping hobby. We connected the science of bees to Rosh Hashanah. Now when we "Dip the Apple in the Honey" we will think about where that honey came from.
