Parshat Vayeitzei

Parsha Exclusive!

In Parshat Vayeitzei, Yaakov dreamed of a ladder reaching upward toward the sky.

The ladder is our school's focus for this year. It symbolizes the steps we take toward growth. To climb each rung, we reach upward in order to pull our whole selves up to greater heights.

May we all find strength to reach just a little bit higher in whatever growth journey we are on.

Mock Wedding

On Thursday, we celebrated the wedding(s) of Yaakov Avinu. Rochel (Yaeli S.) was able to give over the secrets to Leah (Hodaya H.) even when Rochel really, really wanted to marry Yaakov (Abie F.).

We had a beautiful chuppah, followed by lively dancing. For the "meal" we had special french fries!!

The children came in looking so fancy, some with doilies, gowns, bow ties, hats, and more!

Reminder

Parent-Teacher Conferences for our **3-5-year-old program** will be held on the evenings of December 14 and December 28. If you have not yet signed up for a slot, please email montessori@nertamid.net.
