Adult Education

From Sinai to Seinfeld: The History of Jewish Humor (10 lessons)

A treasure of irresistible jokes from the Israelite relationship with God to the growing divide between cultural and religious Judaism in the early 21st century. Treating Jewish jokes as text, the course invites students to analyze and interpret the evolving concerns, styles, rhythms, preoccupations, and values of the Jewish people that lie buried deep in words that make us laugh as Jews, and that bond us as a people.
