The High Holidays are approaching! Be on the lookout for our annual High Holiday Mailing.

Dear Friends,

If you were to look into a Torah scroll, you would notice that there are many white spaces between paragraphs. Our Sages teach us that these spaces represent the places that Moses stopped to contemplate the teachings he had learned from G-d. The summer is a large white space in the Jewish calendar, it is quiet, holiday-less, and therefore gives us a chance to reflect on what we just learned and accomplished.

As a community, it's important that we sometimes stop forging forward and reflect back on what we've been through and what we've accomplished.

For Ner Tamid, there is a lot to look back upon!

For starters, we were taught and inspired by world-renowned speakers, Dr. Erica Brown, Elad Nehorai, Alex Fleksher, Sivan Rahav Meir, Avital Chizhik-Goldschmidt and Judge Ruchie Freier. We had inspirational services led by Chazzan Yaakov Motzen and Yehuda Green. Our new youth director, Rachel Shar, wowed the community with innovative programming such as Harry Potter Shabbat, Youth Lock-In, and Destination Homeland. Our Brotherhood and Sisterhood put together fabulous evenings, breakfasts, and events, oversaw building projects, and did a whole lot of chessed behind the scenes.

We hosted cultural events and films. Our class attendance has grown - my personal favorite, we expanded our all-night shavuos learning to all-day learning, and we had a wonderful crowd at both. We shared many Shabbos meals and grew closer as a kehila. We've welcomed new families to our shul, celebrated new life, and mourned together as a community on the loss of some of our dear friends. It's really hard to believe that this all happened in just one year!
And now the planning begins! The many dedicated volunteers in the shul are already working on new and exciting ways to bring us closer as a community, to inspire us, and to continue to grow our unique and amazing community. There are too many volunteers to mention but I would be remiss if this reflection did not acknowledge the amazing team of people who keep Ner Tamid marching forward - THANK YOU!

I wish you all an enjoyable, relaxing, and rejuvenating summer and look forward to another fabulous year together!

Rabbi Yisrael Motzen

P.S. Keep your eyes peeled for a brand-new and fresh-looking Ner Tamid website that captures the excitement and energy of our shul community. We are planning a summer launch. Stay tuned!
