Rabbi's Blog: New Topic on the Rabbi's Blog! Around 150 years ago, a scholar by the name Rabbi Shlomo Ganzfried wrote a revolutionary book, the Kitzur Shulchan Aruch/ The Abridged Version of the Jewish Code of Law. He somehow managed to capture the essence of all the sections of Jewish Law and condensed it into one small volume. I will be posting an abridged version of each law and will mention when other major authorities disagree with his opinion. You can find the blog on our website, www.ner tamid.net. Be sure to sign up for a daily email of the blog.
