OCTOBER 2018
TISHREI 5779 - CHESHVAN 5779

What an amazing time of year! Rosh Hashanah, with the hope of a good and healthy year. Yom Kippur, with awe-inspiring davening and prayers to be sealed in the book of life, and of course Sukkot, with its joyous spirit. How lucky are we all to be a part of the Jewish people! Even more than this, we all have the added benefit to be a part of Ner Tamid. How much better does it get than to walk through the halls and see all of the children in groups, or to come to Shul and listen to the always inspiring sermons of our spiritual leader, Rabbi Motzen. Ner Tamid makes everyone feel special, unique, and a part of a big, happy family.

This time of year is special to me for many reasons. Sitting in the sukkah with friends and family, davening with such passion for the health, safety, love, friendships, and so much more, eating my wife’s AMAZING food, and getting a chance to do something that I grew up watching my father do year after year at Randallstown Synagogue Center, THE SIMCHAT TORAH AUCTION.

All around the world on Simchat Torah night and morning congregants are gathering to take part in an annual event that is like no other. How else can it be described other than a fundraiser and cattle auction all rolled into one. The fast pace of the auctioneer, the laughter of the crowd as we bid on anything from Yoga classes and coffee with the Rebetzen to the sixth Hakafa for parnasa/livelihood and the honor of getting the winning bid to honor the Rabbi with Chatan Torah. Let’s not forget the children and all of the bids to win Kol Hana’arim and bless our children with a long life of good health and happiness.

This Simchat Torah join us at Ner Tamid for our 5th annual Auction to benefit all aspects of our Shul and to be a part of something special. With your support we will continue to grow, to thrive, and to create a path of Torah for the future generations of Ner Tamid.

I wish you all a Gmar Chatima Tova, a Chag Sameach, and a year filled with joy, happiness, love, success, and all things Ner Tamid.

Adam Klaff, President, Ner Tamid

First night of Selichos at Ner Tamid

spending Shabbosim and Yom Tovim with her grandparents, and the respect and love that others had for her grandfather, being so down to earth. Naomi was brought up in Washington Heights (Manhattan) and went to Breuers from Nursery through to the high school. Howard was born and raised in Staten Island, NY. Howard went to the Young Israel of Staten Island Shul to daven. To Howard nothing is more important (other than his family) then being to shul on time and to be able to help out where and when needed. Howard often was seen being a Gabi in one of the Minyonim

3) What do you do for a living?
Howard is an accountant at a consulting company. He also prepares taxes for business and personal on the side. Naomi works for an insurance Records Retrieval Company at home. Along side working full 9-5 hours at home, she cares for our children and works at Ner Tamid Youth Groups, elementary division, as the Morah.

4) Anything unusual you could tell us about yourselves?
We got married the week of Purim 😄 Our first born, Ella, her Hebrew name is Esther. Then we had our second child, Aiden, whom his Hebrew name is Mordechai. We did not really realize that our family was built around the “Purim Theme” until after our son was born and named. It happens to be, that the first time we came to Baltimore to see if we would like to consider moving, was Purim.

5) What part of Ner Tamid are you most excited about?
We are both collectively excited about building our ‘Purim List’. LOL! Making more friends and watching our kids grow. We look forward to many more fun and exciting activities that Ner Tamid has in store to do as a family, and as well as a couple.

MEET THE KASTNERS!

1) We first heard about Ner Tamid, when we were looking to move to Baltimore. In our quest to finding a job and a house, we searched for a Shul that would become more than just a place to daven on Shabbos and Yom Tovim- but more of a place that we can build friendship and a place our kids can grow! In doing our search, our brother-in-law (Howard’s brother), whom already was living in Baltimore recommended that we check out Ner Tamid. From the moment we walked into the Shul, we felt like we did not need to search anymore! Howard right away felt a connection and loved the davening. Naomi loved the feeling of diversity and felt welcomed with opened arms! Our daughter, Ella, said ‘This is such a nice shul, and the kids are so friendly!’ We knew that Ner Tamid was the right place for our family!

2) How long have you been members?
We have been members for a little over a year already. From the time that we moved into Baltimore, back in June 2017, we became members.

3) What is your religious background? Both of us were raised in an Orthodox Jewish homes. Naomi’s grandfather was a Rabbi in South Fallsburg, Rabbi Kreitman A.H. Naomi recalls many memories of spending Shabbosim and Yom Tovim with her grandparents, and the respect and love that others had for her grandfather, being so down to earth. Naomi was brought up in Washington Heights (Manhattan) and went to Breuers from Nursery through to the high school. Howard was born and raised in Staten Island, NY.
