What does extreme bicycle-riding have in common with nursing studies? Come and hear Judy Lowy, Director of La’Ofek – Hope for the Future, (formerly JobKatif), speak about their work with disadvantaged populations in Israel. Having completed their mission with the former Gush Katif families, La’Ofek helped almost 2000 people in 2018 change their lives for the better. Young Ethiopian Israelis, impoverished IDF and lone soldiers, at-risk youth.

Judy Lowy will be speaking immediately after services (Rabbi Motzen will not be speaking this Shabbos)
