Rabbi’s Discussion Question of the Week:

In this week’s Parsha (Bereishis 50:15-20), Yosef’s brothers are afraid that Yosef is still mad at them for having sold him. They make up a story that Yakov, their father, wanted Yosef to forgive the brothers.

Are there any situations that would make it acceptable to lie? Why?

Email your answer to rabbi@nerTamid.net to be entered into a monthly raffle to win great prizes!! Please indicate if the question was discussed at your Shabbos table for an EXTRA ticket! The raffle takes place once a month immediately before Kiddush. Open to students grades 1-12.
